

Need: * 1 die (If you don't have one, google "roll dice" for a virtual one.)
* A token to mark your space.

- How to play:
1. Roll the die
 2. Move your token to the appropriate spot and complete the challenge. (It doesn't have to be in 1 sitting.)
 3. Once completed, roll again and continue on. (Read at least $\frac{1}{2}$ the book for the challenge to be considered complete.)
