Summer Reading  
Program 2021

This year our Summer Reading is a combination of in-person, virtual, and grab & go activities.

In-person events will be held outside, socially distanced, and subject to weather.

Grab & Go packets will be on a first come, first served basis and can be picked up anytime after the available date. They will contain nearly all supplies needed for the craft. Tutorial and extra supply list will be posted on our social media and website.

Virtual activities include games, a pet parade, and bonus performers. Details will be posted on our social media and website.

Participation sheets are due on July 28th.

Ages are suggestions based on interest and difficulty but everyone is welcome to participate as desired.
